A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

To whom it may concern,

This email is to voice my extreme disapproval of another rate increase concerning sewer service. This bill is considerably high already considering what the rest of South Carolina pays. We aren't receiving any new or additional services so why do they need ANOTHER increase. If it's for new housing developments then charge the builders! We didn't ask for new houses to be built and as far as most of us are concerned it too crowded over here as it is. Send our services back to the City of Columbia! This is not cheaper, our bills are more than the city of New York but our pay is much less. This is greed and starting to resemble the issues SCE&G has.
